USB RECHARGE
AND OUTPUT HUB

Dual speed fan and twin setting LED light.

Up to 16 hours fan speed run time and up to 40 hours of LED light.

Soft foam, child safe fan blades.

USB recharging point on rear of unit, aswell as a USB output hub.

Built in stand for benchtop operation or hang using the fold away hanging hook.

5 hour full charge 4000mAh lithium ion battery.

RECHARGEABLE TENT FAN/LED LIGHT

Dual Speed Fan / Twin LED Light Setting

Fan run time: Up to 8 hours high - 16 hours low
 LED run time: Up to 20 hours high - 40 hours low
 LED brightness: 100 lumens high - 50 lumens low

Child Safe Foam Fan Blades

Practical and safe alternative to metal or plastic blades make it ideal for use around children.

Fold Away Hanging Hook

Attach to tent ceilings or awnings for complete light spread using the fold away hanging hook. Alternatively can use the built-in stand on a table or tent floors.

USB Recharge / USB Output Hub

USB recharging point on rear of unit, aswell as a USB output hub. Supplied with 60cm USB cable.
