ROOFTOP CARGO STORAGE BAGS

Increase your vehicles overall storage, and free up valuable cabin space, with the new Ironman 4x4 roof top cargo storage bags.

These weather proof cargo storage bags mount to your vehicles roof rack, luggage basket or tray and are manufactured from 500D weatherproof PVC, with tear resistant fibres.

Heavy duty tie down straps and buckles offer a secure and quick mounting system. Chunky water resistant zips together with the built-in velcro overlap, keeps your gear safe and secure

from the harsh conditions of the outdoors.

The Ironman 4x4 roof top cargo storage bags are easy to load and unload and are now available in 5 different sizes.
